“Wild Things”

Alessia Cara

Find table space to say your social graces
Bow your heads, they're pious here, but you and I, we're pioneers
We make our own rules, our own room, no bias here
Let 'em sell what they are sellin', there are no buyers here

So gather all the rebels now, we'll rabble-rouse and sing aloud
We don't care what they say, no way, no way
And we will leave the empty chairs to those who say we can't sit there
We're fine all by ourselves

So aye, we brought our drum and this is how we dance
No mistakin', we make our breaks, if you don't like our 808s
Then leave us alone, 'cause we don't need your policies
We have no apologies for being...

Find me where the wild things are
We'll be alright, don't mind us, yeah
Find me where the wild things are
We'll be just fine, don't mind us, yeah
Find me where the wild things are

I lose my balance on these eggshells
You tell me to tread
I'd rather be a wild one instead
Don't wanna hang around the in crowd,
The cool kids aren't cool to me,
They're not cooler than we are

So aye, we brought our drum and this is how we dance
No mistakin', we make our breaks, if you don't like our 808s
Then leave us alone, 'cause we don't need your policies
We have no apologies for being...

Find me where the wild things are
We'll be alright, don't mind us, yeah
Find me where the wild things are
We'll be just fine, don't mind us, yeah

We will carve our place into time and space
We will find our way, or we'll make a way, say hey, hey, hey
Find your grace, don't you hide your face
And let it shine, shine, shine, shine, shine, shine

So aye, we brought our drum and this is how we dance
No mistakin', we make our breaks, if you don't like our 808s
Then leave us alone, 'cause we don't need your policies
We have no apologies for being...

Find me where the wild things are
We'll be alright, don't mind us, yeah
Find me where the wild things are
We'll be just fine, don't mind us, yeah
Find me where the wild things are

"One Dance"
Drake (feat. Kyla, Wizkid)

Baby, I like your style

Grips on your waist
Front way, back way
You know that I don't play
Streets not safe
But I never run away
Even when I'm away
Oti, oti, there's never much love when we go OT
I pray to make it back in one piece
I pray, I pray

That's why I need a one dance
Got a Hennessy in my hand
One more time 'fore I go
Higher powers taking a hold on me
I need a one dance
Got a Hennessy in my hand
One more time 'fore I go
Higher powers taking a hold on me

Baby, I like your style

Strength and guidance

All that I'm wishing for my friends
Nobody makes it from my ends
I had to bust up the silence
You know you gotta stick by me
Soon as you see the text, reply me
I don't wanna spend time fighting
We've got no time

And that's why I need a one dance
Got a Hennessy in my hand
One more time 'fore I go
Higher powers taking a hold on me
I need a one dance
Got a Hennessy in my hand
One more time 'fore I go
Higher powers taking a hold on me

Got a pretty girl and she love me long time
Wine it, wine it, very long time
Oh, yeah, she steady on grindin'
Back up, back up, back up and wine it
Back up, back up and wine it
Back up, back up, back up and wine it
Oh, yeah, she steady on grindin'
Back up, back up and wine it, girl

Tell me, I need to know, where do you wanna go?
'Cause if you're down, I'll take it slow
Make you lose control
Where, where, where
Where, where, where, where
Oh, yeah, she steady on grindin'
Where, where, where
Back up, back up and wine it, girl
Where, where, where, where
'Cause if you're down
Back up, back up and
'Cause if you're down
Back up, back up and
'Cause if you're down
Back up, back up and

I need a one dance

Got a Hennessy in my hand
One more time 'fore I go
Higher powers taking a hold on me
I need a one dance
Got a Hennessy in my hand
One more time 'fore I go
Higher powers taking a hold on me

"Treat You Better"

Shawn Mendes

I won't lie to you
I know he's just not right for you
And you can tell me if I'm off
But I see it on your face
When you say that he's the one that you want
And you're spending all your time
In this wrong situation
And anytime you want it to stop

I know I can treat you better than he can
And any girl like you deserves a gentleman
Tell me why are we wasting time
On all your wasted crying
When you should be with me instead
I know I can treat you better
Better than he can

I'll stop time for you
The second you say you'd like me to
I just wanna give you the loving that you're missing
Baby, just to wake up with you
Would be everything I need and this could be so different
Tell me what you want to do

'Cause I know I can treat you better than he can
And any girl like you deserves a gentleman
Tell me why are we wasting time
On all your wasted crying
When you should be with me instead
I know I can treat you better
Better than he can

Better than he can

Give me a sign
Take my hand, we'll be fine
Promise I won't let you down
Just know that you don't
Have to do this alone
Promise I'll never let you down

'Cause I know I can treat you better than he can
And any girl like you deserves a gentleman
Tell me why are we wasting time
On all your wasted crying
When you should be with me instead
I know I can treat you better
Better than he can

Better than he can
Better than he can

Let a n**** Brad Pitt legend of the fall
Took the year like a bandit
Bought mama a crib and a brand new wagon
Now she hit the grocery shop looking lavish
Star Trek groove in that Wraith of Khan
Girls get loose when they hear this song

Hundred on the dash get me close to God
We don't pray for love we just pray for cars

House so empty need a centerpiece
Twenty racks a table cut from ebony
Cut that ivory into skinny pieces
Then she clean up with her face
Man I love my baby
You talking money need a hearing aid
You talking bout me I don't see your shade
Switch up my style I take any lane
I switch up my cup I kill any pain

Ha-ha-ha-ha-ha-ha-ha-ha-ha-ha
Look what you've done!
Ha-ha-ha-ha-ha-ha-ha-ha-ha-ha

"Spirits" The Strumbellas

I got guns in my head and they won't go
Spirits in my head and they won't go
I got guns in my head and they won't go
Spirits in my head and they won't

I been looking at the stars tonight
And I think oh, how I miss that bright sun
I'll be a dreamer 'til the day I die
But they say oh, how the good die young
But we're all strange
And maybe we don't wanna change

I got guns in my head and they won't go
Spirits in my head and they won't go
I got guns in my head and they won't go
Spirits in my head and they won't go
But the gun still rattles
The gun still rattles, oh
I got guns in my head and they won't go
Spirits in my head and they won't go

I spent a lot of nights on the run
And I think oh, like I'm lost and can't be found
I'm just waiting for my day to come
And I think oh, I don't wanna let you down
Cause something inside has changed
And maybe we don't wanna stay the same

I got guns in my head and they won't go
Spirits in my head and they won't go
I got guns in my head and they won't go
Spirits in my head and they won't go
But the gun still rattles
The gun still rattles, oh
But the gun still rattles
The gun still rattles, oh

And I don't want a never ending life
I just want to be alive while I'm here
And I don't want a never ending life
I just want to be alive while I'm here
And I don't want to see another night
Lost inside a lonely life while I'm here

I got guns in my head and they won't go
Spirits in my head and they won't go
I got guns in my head and they won't go
Spirits in my head and they won't go
But the gun still rattles
The gun still rattles, oh
But the gun still rattles
The gun still rattles, oh
